

Tuesday 18th June 2024

Dear Parents/ Carers,

**RE: Miss Naveed**

I am writing to inform you that unfortunately, Miss Naveed has decided to leave Woodlands Academy at the end of this academic year. She will be moving to Dubai to continue working as a teacher in a much warmer environment!

We have been so fortunate to have had the opportunity to work with Miss Naveed for the past two years. I would like to take this opportunity to thank her for her fantastic contributions to Woodlands.

Having started with us as a student teacher in Year 2, we were very excited to have her join the team in Early Years. Her enthusiasm for teaching has been an asset to the school and as Reception teacher, she has been a consistent and welcoming presence for some of our youngest pupils.

As PE lead, she has worked closely with Mr Grant to achieve a Bronze award for PE this year and to ensure our children are developing in confidence, as seen in our recent Dance assembly. While we are very sad to see Miss Naveed go, this is an incredible opportunity for her and we can't wait to hear about her new life in Dubai.

We wish Miss Naveed all the best for the future- she will be missed at Woodlands!

Yours Sincerely

Ms Hasker  
Headteacher
