

Starting Nursery

Social Story

I will start Nursery at Woodlands Academy in September

I may feel worried before I go for my first day.

This is OK.

Lots of children will be in Nursery for the first time and we will all learn together.

My class is called Owls

These are the adults who will help me and teach me lots of new things.

In the morning I will come in through this entrance.

Then through this yellow gate....

Then into the Nursery door.

At home time my adult will collect me
from the Nursery door.

Starting Nursery will be so much fun!

My adult will take me to into Nursery and I will say goodbye and go into my classroom.

I may feel sad saying goodbye to my adult.

This is OK

I will hang my coat and bag on a peg.
I will have my own peg with my photo on it.

I will find my name stone and put it in the basket to show that I am in Nursery.

These are the toilets. They are inside my classroom. If I need to use the toilet I can ask one of my teachers.

This will be my classroom

This will be my outdoor learning area.

I will listen to a story and have a drink of milk and a piece of fruit at snack time.

**If I stay for lunch, I will have lunch with my class in the lunch hall.
My teachers will go with me to help me.**

Miss Tracey will cook my lunch.

At Nursery, we will have lots of fun.

We will paint pictures

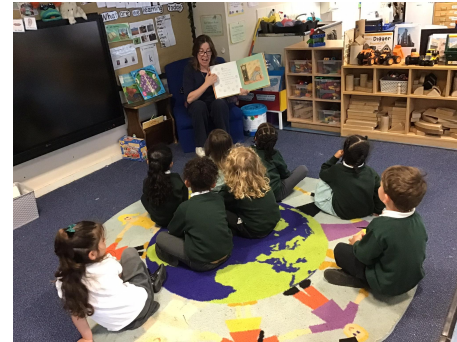

We will sing songs

We will cook

We will listen to stories

At Nursery, we will have lots of fun.

We will build

We will make new friends

We will play outside

We will learn lots of new things

I may need help to do these things.

This is Ok

There are lots of adults there to help me when I need it.

When Nursery is finished for the day, my grown up will take me home again.

I will say goodbye to the adults in Nursery.

My grown up will ask me what I did today. I will tell them all the fun things I did.

My grown up will be proud of me that I had a fun day at Nursery.

I will have lots of fun at Nursery and I will make new friends.

The adults in Nursery will help me.
